

The One-Stop Job Market goes mobile, offering new technology to businesses and residents on the Lower Eastern Shore. Local businesses can utilize this technology for skill training and for listing job openings. Job seekers will be presented with job search opportunities, career assessments, resume assistance and more.

The Mobile One-Stop is equipped with eleven internet accessible computers,

one computer linked to a smart board and an outside screen that displays the smart board for larger groups to see. Mobile One-Stop staff are available to assist people with job search activities and businesses or organizations with career assessment or training needs.

One-Stop Job Market
